

Are you looking for a rewarding opportunity? We are seeking drilling assistants for our exploration/water drilling operations. Successful candidates are hard-working, enjoy working outdoors in any kind of weather, are willing to travel frequently, and are not afraid to get dirty. Working as a driller assistant is often tough and physically demanding. For dedicated, capable, team players who put safety first, being a driller assistant can be the start of a satisfying and financially rewarding career with HC Drilling Professionals. We are based in Phoenix, Arizona and have drilling locations in the Western U.S.

Responsibilities

- Assist driller in performing drilling operations (add/remove drill rods, install casings, change bits, etc.) Mobilize/demobilize equipment
- Set up drill site
- Operate equipment (backhoe, water truck, rod truck, crew truck, etc.)
- Sample preparation
- Mix drilling fluids
- Haul materials to the drilling location
- Fuel equipment
- Service and maintain vehicles
- Housekeeping of drill site and equipment
- Work as a team in challenging situations with a variety of personalities

Qualifications

- Successfully pass a pre-employment drug screen, background check, physical and functional capacity test, and pulmonary function test
- Good driving record with a valid license; CDL class Bn license preferred
- Reliable transportation
- 18 years of age or older
- Able to crawl, squat, and carry materials for extensive periods of time
- Able to lift 100 pounds repetitively Able work at varying heights
- Able to work outside in a variety of weather conditions including in harsh weather and remote locations
- Able to work long hours (up to 12-14 hours per day)
- Willing to travel 14 to 20 days at a time with rotating schedules
- High School diploma, GED or equivalent
